Big Reds Dump
London for
Second Win

The Big Reds of Cedarville high school after dropping three straight games got back to winning ways last Friday night at Alford Memorial gym as they dumped the Red Raiders of London by a score of 39-29.

Coach Clyde Walker juggled his lineup around, starting two boys that had so far this season seen only limited action.

The locals took an early lead and remained out in front for the entire ball game with 6 points being the closest the visitors could come after the opening frame.

At the end of the first quarter Cedarville was on the long end of the 8-2 count, with Paul Vest and Roger Charles controlling both backboards they ran the count to 15-6 at the end of the first half.

The second half was a better ball game, with London finally coming to life to make the fray an interesting one.

The Big Reds added another point to their lead in the third quarter to make it 24-14 at the start of the final period. Both teams did their most point getting in the final minutes, each getting 15 in the fourth quarter.

The Cedarville reserves and the London seconds were all tied up at 20 at the end of their regulation playing time with London taking the decision 24-21 in the extra session.

The locals have this week off from competition with their next game on the schedule being with West Jefferson here on next Tuesday, Dec. 16.

Mr. White is the son of Mrs. John P. White, Pittsburgh, former Kenian.

Two Cedarville
Men Seek Divorce

Arthur F. Judy, Jr., Cedarville, who served with the army air forces at the time of his marriage Aug. 26, 1944, in Birmingham, England, accuses Dorothy Mercer Judy of neglect as basis for the suit. They are parents of one child. The Cedarville man says his wife was "homesick," that he arranged for her to return to England, with their child, for a visit but that she has since notified him of her intention to remain abroad. He lists her address as 36 Ransom Rd., Erdington, Birmingham.

John L. Andrews against Marshall, Cedarville, neglect and cruelty, filed in the Ohio court at Cincinnati, Aug. 29, 1941, in Kenia; parents of one child whose custody the father seeks.

Stewart Tosses
Hat in GOP
Sheriff Ring

Clarence A. Stewart, Osborn, a veteran in police work and a former Greene county deputy sheriff, will be a Republican candidate for the office of Greene county sheriff at the general election next fall, subject to nomination in the May primary, it was announced this week.

Stewart, who is married and resides at 309 E. Emerson dr., is now associated with Geyer's Bee and Thistle restaurant in a supervisory capacity and was former supervisor of a Geyer restaurant at Skyway Park.

Born in Shelby county, the son of Mr. and Mrs. Webster L. Stewart, former residents of Old Osborn and Bellbrook, the younger Stewart attended Sidney high school where he studied agriculture and worked with his father on their farm until he was 18. He entered the field of sales promotion and supervisory work soon after school and remained in that work until World War II started.

Stewart came to Greene county in 1941 and took employment at Patterson Field where he was a patrolman in the police department, with the duty of setting up new posts on the field. Eight months later he was selected from 300 men to set up a new police department at the new Air Service Command. At this time he received a three-grade promotion from patrolman to captain.

His services while a special deputy were so effective as to bring a request that he become a full-time deputy. In May, 1945 Stewart resigned all his duties at the field and became a regular deputy in Bath twp. with headquarters at Skyway Park. On Aug. 1, 1946, he was transferred to the Kenia office under Sheriff Walton Spahr, where he handled cases throughout the county.

After two months in the Kenia headquarters "existing conditions in the office brought about my resignation," Stewart said. He then became associated with the Geyer restaurants, a position he now holds.

One of Stewart's talking points is to "cut politics from the sheriff's office." "If I am nominated and elected sheriff, deputies will be required to take examinations and they will not be appointed for political reasons," is the way Stewart put it.

"I would also set up an extensive training program for the department pertaining to the general duties," the candidate stated.

Stewart is a member of the Osborn-fairfield Lions Club and is a member of the First Christian Church. He is a former Scoutmaster and currently is sponsoring a tumbling act for a group of boys at Skyway Park.

If nominated and elected, the former deputy sheriff plans organizing a Junior Deputy League in the county for the boys in the 12-18 year age group. Stewart said there is a drastic need for some type organization for this age group in Greene county.

To Inspect 4
Sites for Xenia
Twp. School

Members of the Xenia Twp. school board plan to inspect four prospective sites for the new \$250,000 consolidated school building approved by voters at the Nov. 4 election.

The sites, all immediately north of Xenia, probably will be checked in the next few days, the board president, Harper Bickett, said.

Rial Parrish, Dayton architect employed to prepare plans for the building when the issue was first presented to voters, is completing final blueprints for the new building. His approval of a site will be requested prior to any land purchase, it was said.

Only two of the land parcels have been priced to the board, Mr. Bickett said.

Meanwhile, the board went ahead this week with a resolution to sell the \$250,000 in bonds to provide funds with which to build and equip the new school.

The consolidation will enable the board to dispose of its present properties which include six one-room schools, two two-room buildings and an abandoned structure. While the buildings are all owned by the board, the property in about half the cases reverts back to private ownership when no longer used for school purposes, the board president declared. Sale proceeds will be applied to the purchase of the new site.

Besides Mr. Bickett, the board includes Charles Kinsey, Ronald Atkinson, Delmar Bull and Crampton Lott. However, Mr. Bull and Mr. Lott declined to seek re-election last month and their successors, elected write-in candidates J. B. Lane and J. Homer Enively, have been meeting with the current board to keep abreast of developments, although they do not take office until Jan. 1.

The Xenian returned to civilian life in 1946 and soon afterward became affiliated with Mr. Wead in the law firm, with offices in the Allen Bldg. He has been admitted to practice before the U. S. Supreme Court and is a member of the Greene County Bar Assn. and the state and federal bars. His other affiliations include the Junior Chamber of Commerce, Kiwanis Club, Foody-Cornwell Post, No. 95, of the American Legion, and Trinity Methodist Church, this city.

Mr. Aultman is married to the former Miss Margaret Hibbert, Xenia, and is father of two sons, Mark, 5, and Scott, 4. They reside at 634 S. Detroit St.

Philip Aultman
Seeks Greene
Prosecutor

The Republican nomination for Greene County prosecutor will be sought by Philip Aultman, Xenia lawyer, at the May primary, he announced Tuesday. He is a World War II veteran.

Mr. Aultman, who is circulating his candidacy petitions, is associated with Robert H. Wead in the local law firm of Wead and Aultman. He is a younger brother of Xenia's Municipal Judge D. M. Aultman. It will be his first venture in politics.

The GOP candidate, who will be 32 years old Dec. 26, is a native of Batavia, Clermont County, but came to this city with his parents, Mr. and Mrs. H. C. Aultman, 116 N. Detroit St., when 4 years old. His father is a former superintendent of Greene County schools.

A graduate of Central High School in 1933, the Xenian graduated from the Ohio State University law school in 1940 and did postgraduate work in law at George Washington University at Washington, D. C., in 1943.

Mr. Aultman practiced law two and a half years in this city until he joined the federal department of justice as one of its attorneys for two years early in the war. In 1944 he went into the army as a criminal investigator, was given Federal Bureau of Investigation schooling and served two years, one of which was overseas in The Philippines.

The Xenian returned to civilian life in 1946 and soon afterward became affiliated with Mr. Wead in the law firm, with offices in the Allen Bldg. He has been admitted to practice before the U. S. Supreme Court and is a member of the Greene County Bar Assn. and the state and federal bars. On the School Scene

By Rita Corrigan

Several important events have happened during the present week, in addition to regular school routine. Friday night, of course, we attended the basketball game and dance. Monday morning we had a chapel program in the auditorium. The shows Tuesday and Thursday noons provided more excitement. Several classes were happy to be excused from studies Thursday when they went to Middletown. Thirty-five pupils of the Mixed Chorus are going to Yellow Springs Friday night to hear the Dayton Boys' Choir.

Tour Is Taken By Classes

Members of the ninth grade science class, chemistry class, and industrial arts classes visited the American Rolling Mills at Middletown, Thursday. About seventy-five pupils took the trip, accompanied by Mr. Walker and Mr. Guthrie.

The object of the excursion was the tour of the factory, which began at 1 p. m. and lasted two hours and a half.

Pupils were shown the complete process through which the raw materials progressed until they reached the finished product, including the manufacture of galvanized roofing, stainless steel, and molds.

Adult Class Holds First Meeting

The newly-organized Adult Home Ec. Class had its first meeting on Wednesday, December 3. At this meeting the class decided to spend the entire course on the study of sewing. For a special project, the class will make stuffed toys, plan Christmas decorations, and have exhibits of gift wrappings.

The class is open to all ladies of the community. Meetings will be held in the Home Economics department of the high school every Wednesday evening from 7:30 to 9:30.

Cedarville "Big Reds" Win
C. H. S. "Big Reds" won their game with London, last Friday night, in a hard-fought battle staged on the local court. The final score was 39 to 29.

Paul Vest, Cedar's center, starred for the local team, chalked up twenty-three points, with nine field goals and five foul shots. Five made six points, Beattie, five, Culcice, two, Tacket, two, and Charles, one point. The losers' points were more evenly divided, with Kulp and Minner each capturing eight points, Hughes making six points, Jackson, five, and Stanley, two.

The score by quarters was:
Cedarville 8 7 9 15 39
London 2 4 8 15 29

Officials were Roberts, Springfield; Atley, Ross.

The Reserve game proved to be a thriller. London won this game in an overtime period, score 24 to 21.

Cedarville will play West Jefferson on Tuesday night, December 16, at home.

Junior High Game
The Junior High team will venture up to Possum Junior High School Thursday evening, this week, in quest of their third victory. We hope that this game will result in three games won out of three games played.

Chapel Service
Rev. Malcolm Harris, of the Clifton Presbyterian Church, was the speaker for the chapel program Monday morning.

His talk was based on the hymn, "I Would Be True." He said in part: "If we are untrue to others, we are untrue to ourselves. Purity and cleanliness of the body, heart, and mind are of first importance." He also emphasized that we hurt only ourselves if we do inferior work on the house of life which we are building. These facts, he stated, applied to school work and accomplishment.

Attendance Ratings

Perfect attendance ratings have been posted in Miss Hanna's office, for the second six weeks.

For this grading period, the freshmen moved into first place, with twenty-eight students with perfect attendance. The seventh grade is second, with twenty students. In third place is the sophomore class, with fourteen students. The eighth grade, with fourteen students, is fourth in rank. The seniors and juniors are fifth and sixth, as they were in the last grading period.

Janice Kay Milburn and Doris Ann Reynolds closed the meeting by singing "The Lord's Prayer" and during the song the pledge cards were signed for the year 1948.

Maurauding Dogs Kill 29 Sheep in Raid

Despite recent raids by marauding dogs which left twenty-nine sheep dead in Jefferson and Beavercreek Twp. pastures, sheep claims approved by county commissioners for the last quarter of 1947, actually ending Dec. 1, amounted to \$532.60, the smallest three-months payment of the year.

Commissioners, meeting Saturday, disclosed it was the only quarter this year in which payments have been less than \$1,000. In all, \$4,330.60 in sheep claims were paid in the twelve-month period ending the first of this month.

First quarter settlement of sheep claims paid from the county dog and kennel fund, showed the highest total, 1,647.58. The second and third quarter totals were 1,004.12 and \$1,146.30, respectively.

Army and Air Force Announce New Program

The U. S. army and U. S. air force has a new plan for high school graduates which places greater emphasis than ever on education for Uncle Sam's soldiers, according to Sgt. Earl Smith of the local U. S. army and S. air force recruiting station, Xenia, Ohio.

"For the first time," said Sgt. Smith, "the high school graduate who wants to get the splendid training offered by the technical schools, can make his own decision about the type of work he wants to do in the army or air force before he enlists. Further, he can specify the subject in which he wants schooling, and is guaranteed that education after he completes his preliminary basic training."

"The army maintains some of the finest technical training schools in the world. More than a hundred different courses are taught. Likewise, the air force offers a wide variety of courses, ranging from radio, radar, wire communications, weather, and photography, to automotive mechanics, administration, and many other less usual subjects."

Red Cross Is Calling in All Sewing

Any persons throughout the county who have on hand garments to be sewed or knitted for Red Cross overseas, are asked to have them completed and returned to the Xenia Chapter House by Dec. 31, which is the deadline recently set by the national organization. If garments can not be finished, either send them in or notify the Chapter House, by card or phone 923, and they will be picked up. Since sewing for overseas relief has been discontinued, it is imperative that all garments and materials be sent in by the deadline, according to Miss Katherine Smith, executive secretary. All sewing done after Dec. 31, will be for the veterans' administration hospital, in Dayton. A group of ladies is now occupied in this work every Wednesday at the Xenia Chapter House, which is open to anyone interested.

In addition to the Court House office of the auditor, tags will be sold in ten other communities until the deadline. After that, only the Court House office will sell them.

Listed as deputies for dog tag sales in their respective areas are these persons: Mrs. Fern Merrick, Fairfield; O. B. Armstrong, Osborn; Glenn Deaton, Yellow Springs; John Collette, Jamestown; Claude Chitty, Bowersville; Harold Van Pelt, Spring Valley; Mrs. William Tate, Bellbrook; Paul Karmath, New Germany; Mrs. Mary Pickering, Ca-

You demand It

Industry depends on It

The Nation must have It

What is IT?

"adequate and efficient railway transportation service for the nation"

FROM THE OFFICIAL REPORT of the Interstate Commerce Commission on awarding a temporary freight rate increase of 10%, we quote:

"The law requires us to give due consideration, among other factors, to the need of revenue sufficient to enable the carriers under honest, economic, and efficient management to provide adequate and efficient railway transportation service for the nation..."

A moment's thought should convince any fair-minded person that keeping the American railroads healthy is to everybody's advantage.

Every family, every businessman, even the Nation itself is in danger when this vital artery of American life is weakened.

And that threat is real, and it is now. For with increases in the cost of railroad operation piling up one atop another, how can the railroads' multimillion dollar program for desperately needed new equipment be continued? How can improvements in roadbeds, yards, stations, rolling stock, which took a merciless beating in the war years of peak traffic, be carried through?

They can't... UNLESS—

Unless the railroads are granted freight rates adequate to meet the wage and materials cost increases, and at the same time keep hundreds of American industries busy with new machinery and equipment orders.

Government requires that the railroads maintain a high standard of efficiency because You demand it, Industry depends on

it, and the Nation must have it.

We are asking a permanent freight rate increase of the absolute minimum to meet our need—which is in every sense your need.

Our request should be granted:
